

METRO BOSTON RECOVERY LEARNING COMMUNITY

LEADERSHIP

ACADEMY

Please join us for our first Leadership Academy

The Metro Boston RLC is interested in supporting people in the Boston Area who would like to learn more about Advocacy and Peer Support. During our first Leadership Academy our goal is to come together online for six four-hour sessions over six weeks. Each week we will introduce a different theme. Boston area Peer Specialist leaders will join us to share their own experience around what has helped them most advocating, volunteering and working as Peer Specialists.

Our time together will include:

- An introduction to the MBRLC, Peer Support and the History of the Mental Health Movement.
- An opportunity to practice leadership skills around advocacy and reflecting on our own plans of action and how we would like to be involved.
- Hearing from other Peer Specialists in the Metro Boston Area, via stories, panels and discussions.

Space will be limited to ten for this first session.

DATES: May 12 (Wednesday)–June 16 (Wednesday)

Online via Zoom

You must attend all six sessions to receive a certificate.
